RE: Freedom of Information Act (FOIA) Request  
Number **10-RIN-00289-04**

Dear Mr. Stover:

This letter is in response to your FOIA letter received by the Environmental Protection Agency (EPA) on May 13, 2004, in which you requested information regarding the **CERCLIS Sites Cleanup Remedies**.

✓ On July 12, 2004, responsive documents pertaining to the City of Portland St. Johns Landfill were mailed to you. These publicly releasable documents were provided by the Office of Environmental Cleanup. In your conversation with Beverly Gaines on July 12, she informed you that we have no records relating to the NSB Barrow Landfill site in Barrow Alaska. This is not a denial of records, but if you consider it to be a denial, you have the right to appeal this determination within thirty days of receipt of this letter that records do not exist in Region 10. Address your written appeal to:

**Freedom of Information Act (FOIA) Operations Staff  
U.S. Environmental Protection Agency  
Ariel Rios Building  
Mailstop 2822T  
1200 Pennsylvania Avenue NW  
Washington, D.C. 20460**

You may wish to contact the **Alaska Department of Environmental Conservation** to inquire whether they have information responsive to your request. Their address is included in the enclosed handout.

In addition, records relating to the cleanup at Pasco Landfill can be obtained through the Washington Department of Ecology since this is a state-lead site. Please contact Johnnie Landis, Public Information Officer, at (509) 329-3415.

The actual cost for providing this information to a commercial requester is \$24.45 for duplication of 163 pages at \$0.15 per page. A bill and payment information is enclosed for your use. Your fee payment should be in the form of a check or money order payable to U.S. EPA and sent to U.S. EPA Region 10, P.O. Box 360903M, Pittsburgh, Pennsylvania 15251.

If you have any questions regarding this FOIA response, please contact **Beverly Gaines, FOIA Coordinator** for the Office of Environmental Cleanup at (206) 553-1066 or email [gaines.beverly@epa.gov](mailto:gaines.beverly@epa.gov).

This concludes the EPA Region 10 response to FOIA Request Number 10-RIN-00289-04.

Sincerely,
